The 5star Grandhotel Victoria Jungfrau Interlaken is the legendary starting point for our automotive journey of pleasure through the last paradises of Switzerland.

The “Mille Tornanti” is therefore unrivaled for being an exclusive historic vintage car hiking event and we celebrate classic travelling by every trick in the book. The dream of many vintage car connoisseurs will turn into an unforgettable pleasure in genuine ambience of the picturesque Bernese Oberland. An historic and exquisite foil for the “Mille Tornanti” Thus you will experience history by driving vintage cars and enjoying the flair of the historic hotel. Celebrating the classic automobile and enjoying an indulgence program “from epicure – to epicure”.

Fascinating automobiles in a memorable environment

This can be taken literally, because the majestic crests of skyscraping high alps and even four-thousand-meter high mountains are arranged like pearls on a string – and the famous triumvirate Eiger, Mönch and Jungfrau form a magnificent, forever white setting for submontane Interlaken. The picturesque village is famous for its reputation in all over the world. Even in 1842 Felix Mendelssohn-Bartholdy wrote: “The area between the lake of Thun and Brienz is the most glorious in this beautiful country beyond comprehension.” So the rally “Mille Tornanti” stands in the tradition of luxurious vintage car travelling and is associated in spirit and quality with the already legendary rally “Mille Fiori”.
